While everything else is going up Tungsten Lamps are coming down. The quality is also better, they last longer and are less fragile.

While the service is bad and voltage often low, until the new plant starts, Tungstens will take less current, give more light and help us by reducing the load. Remember that these lamps consume only 1 1-4 Watts per candle. The common lamp requires 3 1-2.

	New price	Old price

The ladies are enjoying box ball apparently as well as the men. This place is a credit to our town and the best people are showing their appreciation.

The girls and boys are becoming very enthusiastic over rolling box ball and are being benefited physically and mentally.

Most of the business men play box ball and endorse it.

Spare Twenty-One, it is good for you.

It is good for everyone, Spare Twenty-One.

Drop in during the day and play one game of box ball. It is fine this cool weather.
